- 1) ____________________________ 3
- 2) ____________________________ 3

**Art History** (200 level or higher)
- 1) ____________________________ 3
- 2) ____________________________ 3

**Strategies for success:**
- Plan and space out your required courses
- Enhance your major with a minor
- Consider study abroad
- Inquire about an internship
- Visit the Haas Gallery receptions and exhibits
- Go to museums and galleries on department bus trips
- Attend and take part in department events like workshops and lectures
- See your advisor each semester, at least
- Be active in the SAA
- Talk with faculty about your plans and dreams

Remember! You will need at least 120 credits to graduate. This includes the courses for your major (minimum 39 credits). The remaining courses will be General Education courses and electives.

Check boxes to right when GEP requirements met

*GEPs for this goal must come from at least 1 discipline. **GEPs for this goal must come from at least 2 disciplines. ***GEPs for this goal must come from at least 3 disciplines.

For more information on the MyCore General Education requirements, see: [http://www.bloomu.edu/mycore/requirements](http://www.bloomu.edu/mycore/requirements)

**Foundation Courses** - All students are expected to complete foundational courses in English Composition and Mathematics in their first year of enrollment. Students who are not eligible for credit by examination or transfer in these courses will be scheduled into appropriate courses within their first year of study, except that students enrolled in developmental courses will be scheduled into appropriate foundational courses in the semester following their developmental enrollment. Students who receive a failing grade in a foundational course shall schedule a makeup within one year following the failed attempt.

- For English Composition, the foundational course is English.101 Foundations of College Writing.
- Foundational Mathematics courses (*These courses will also carry GEPs): MATH 101 Math Thinking*, MATH 109 College Algebra, MATH 111 Finite Math*, MATH 112 Trigonometry, MATH 113 Pre-Calculus, MATH 118 Applied Matrix Algebra*, MATH 123 Essentials of Calculus*, MATH 125 Calculus 1*, MATH 141 Introduction to Statistics*, MATH 201 Math Concepts 1

**Note for transfer students:**
Credits transferred as a BU course equivalent get the GEP distribution of the BU distribution, but other transfer credits (eg. XXX.199) do not count toward GEPs.
